

508 Compliance Standards for Video and Multimedia Products

36 CFR 1194.24: Video and Multimedia products

36 CFR 1194.24: Video and Multimedia products provides legal guidance for accessibility in training. Specifically:

- C. All training and informational video and multimedia productions which support the agency's mission, regardless of format, that contain speech or other audio information necessary for the comprehension of the content, shall be open or closed captioned.
- D. All training and informational video and multimedia productions which support the agency's mission, regardless of format, that contain visual information necessary for the comprehension of the content, shall be audio described.
- E. Display or presentation of alternate text presentation or audio descriptions shall be user-selectable unless permanent.
